THE AFNA FOUNDATION INC.

The U.S. Drug Enforcement Administration (DEA) is the lead U.S. federal law enforcement agency charged with conducting investigations against the manufacture, distribution and trafficking of drugs by drug trafficking organizations both domestically and internationally. AFNA consists of active and retired DEA personnel.

Our AFNA personnel who have suffered major tragedies are never to be forgotten and with your help AFNA will strive to offer assistance and support to the families when tragedies occur.

PLEASE CONSIDER SUPPORTING THE AFNA FOUNDATION:

The AFNA Foundation, as a 501 (c) 3 non-profit, seeks your company's help in trying to make a difference in the lives of our families whose family member served our country and risked their lives in their efforts to counter the abuse of drugs and to combat drug trafficking by dangerous drug trafficking and terrorist organizations worldwide.

The AFNA Foundation's financial assistance takes many forms, including a scholarship program for our member's children and grandchildren's education and meeting emergency financial hardships as determined by the Foundation.

Your support will assure that their children will receive assistance to pursue their education and assist those who suffered unexpected hardships.
